

BERESAN WINEMAKER'S NOTES  
2009 SEMILLON  
WALLA WALLA VALLEY  
100% SEMILLON

Our 2009 Semillon is made from Estate Vineyard surrounding the winery. The wine shows lots of pear, honey and hints of citrus. A very luscious, smooth and pleasing wine that works great with food or alone.

The wine was fermented in a stainless steel tank, with some 30% of the wine aged in oak. The wine will be in the bottle for 3 months prior to release.

The 2009 season began very normal, we experienced mild weather during bud break and spring growth. Bloom period was warm and consistent for great fruit development. Once again we had a long hot summer for good growing conditions, but a later than normal harvest. Fall conditions were perfect for flavor development.

#### WINE SPECIFICS
